Corrigan's Road of Progress

By Connie Capenter

Everyone travels a brand new road,
Everyman carries a certain load.
Corrigan's pioneers did no less
Than travel the road of Progress.
James B. Hendry, a hardy man
Came to Texas — a very rough land
He brought with him his wife
And together they started a new life
They cleared the land and built a home
Progress was started, but they weren't alone
Chandlers, Maxey's, Jernigan's, Knox's and a Galloway.
Settled in a place known as Polk county today.
The virgin woods were hard to clear
Times were rough; and there was fear.
The war broke out between the states
The men were called, an act of fate.
They left their families at home
To make their way all alone.
Hunger pained them, the work was hard
The hogs supplied their meat and lard.
The war was over, the men came back
But the memories lingered as hard cold facts
The community built a church and school
But times were still rough and cruel.
In 1890 HE & WT was the railroad
a mill company came and seeds were sown
But pay was small and cupboards bare
And the families depended on the land's care.
Another mill was to come through
Joe Kurth from Germany and S. H. Henderson,
a man named Potts opened a Soda Stand
Bear creek water was a helping hand.
But not all things stayed, some didn't
And this was one which wasn't a need
The life there was full of stress
But that didn't stop Corrigan's Progress.

By Alicia Nixon

Ever since man first existed he has always followed a certain road to his final destination. Roads led him across forests, plains, and deserts. Roads led him to methods of moving faster and with less difficulty. In the 1978-1979 school year the city of Corrigan showed progression school and community-wide. No phrase could be more relevant to or more descriptive of this progression than — "THE ROAD OF PROGRESS." As teachers, as students, as athletes, as leaders, there were some of us who were large, more efficient highways, there were others who were smaller roads, less efficient. But we remember that without the each other accomplishment or success would not have been possible. As the year ends and we travel into the future we are left with one thought in mind — will our road be one of progression?

Signs of Progress

Just as highway markers are signposts for traveling, there were certain signposts of progress in the school district and community in 1979. Among these were (1) the \$4,000 Champion scholarship added to replace the Louisiana-Pacific scholarship. Here, Dick Baldwin of Champion announces to the community the scholarship. (2) New apartments sprang up all over town including 64 units in the Rayburn Hills community. (3) Mrs. John Hanna, a long-time resident of Corrigan and supporter of the district donated her home to be used as a library and archives for the district. (4) Construction of the Intermediate school began in '78. Twelve classrooms, a library and cafeteria are featured in the building scheduled to open in the fall of '79.

PROGRESS

*means a oneness of human spirit has
been achieved.*

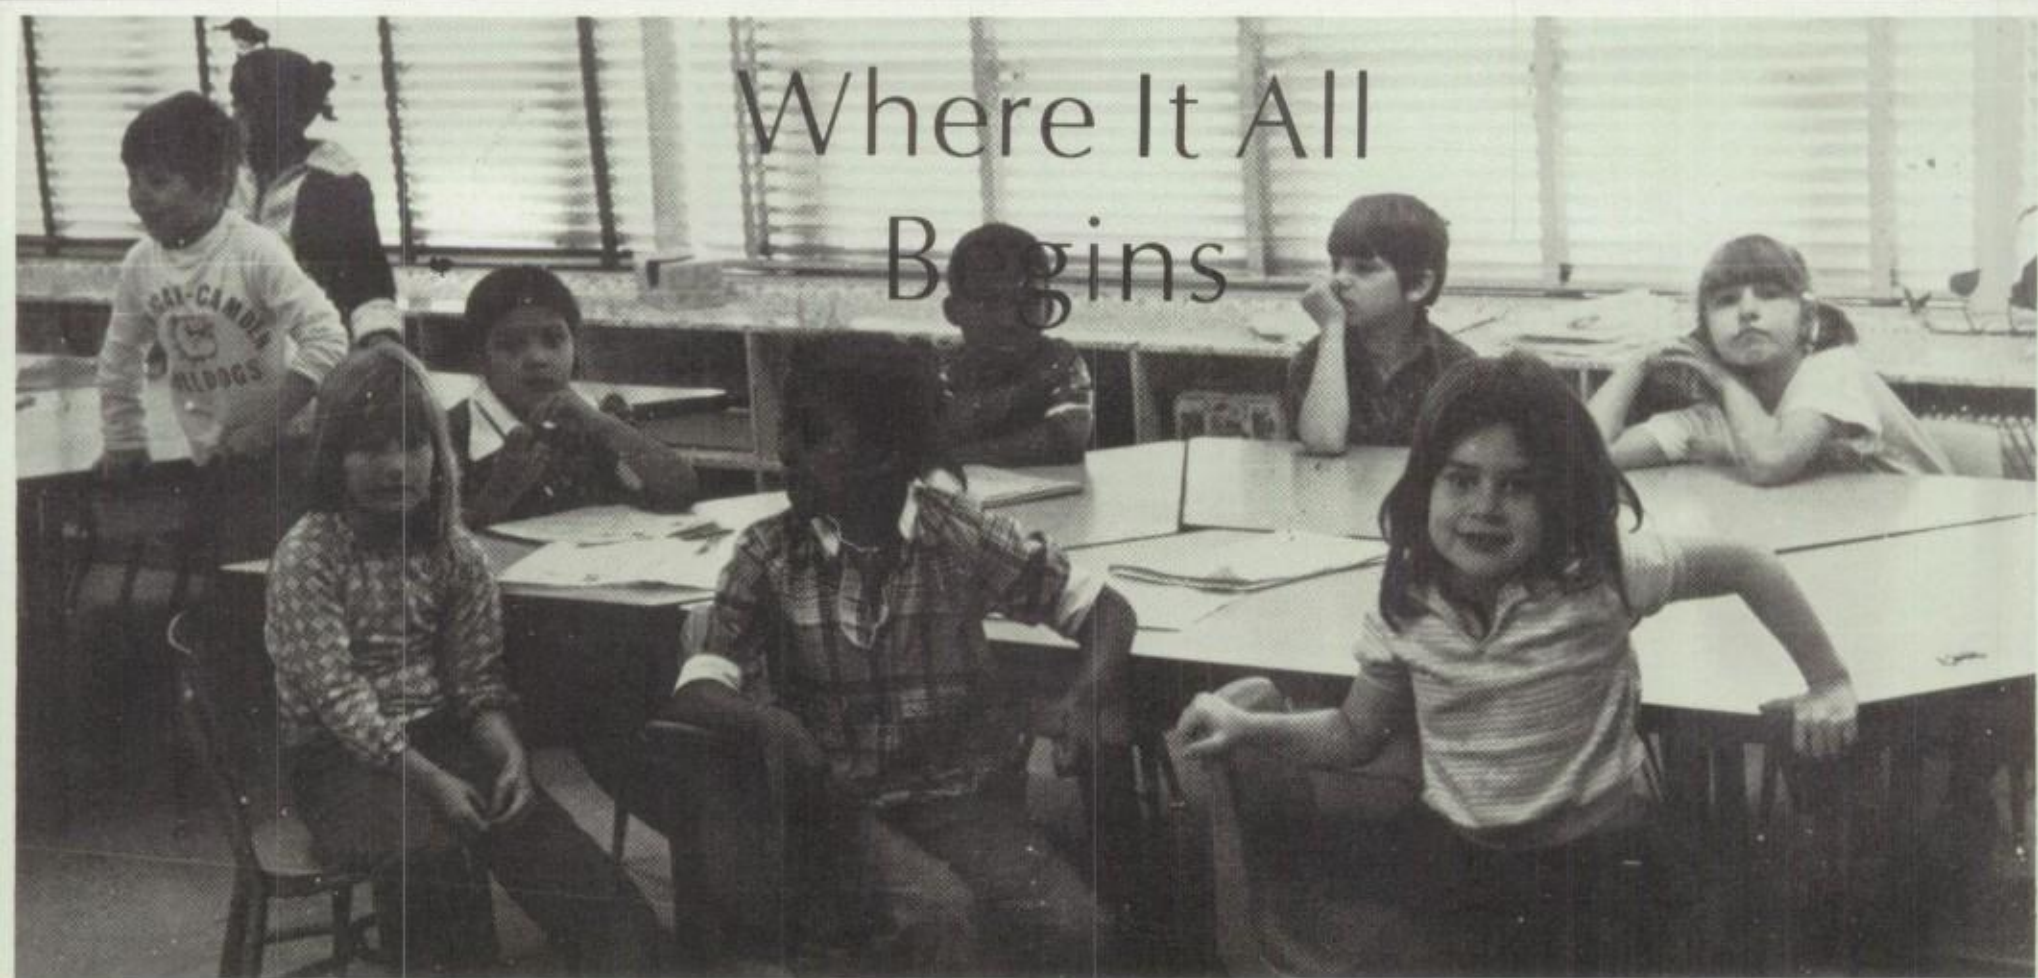

*"There is only one man in the world, and
his name is All Men.*

*There is only one woman in the world
and her name is All Women.*

*There is only one child in the world and
the child's name is All Children."*
— Carl Sandburg

Where It All Begins

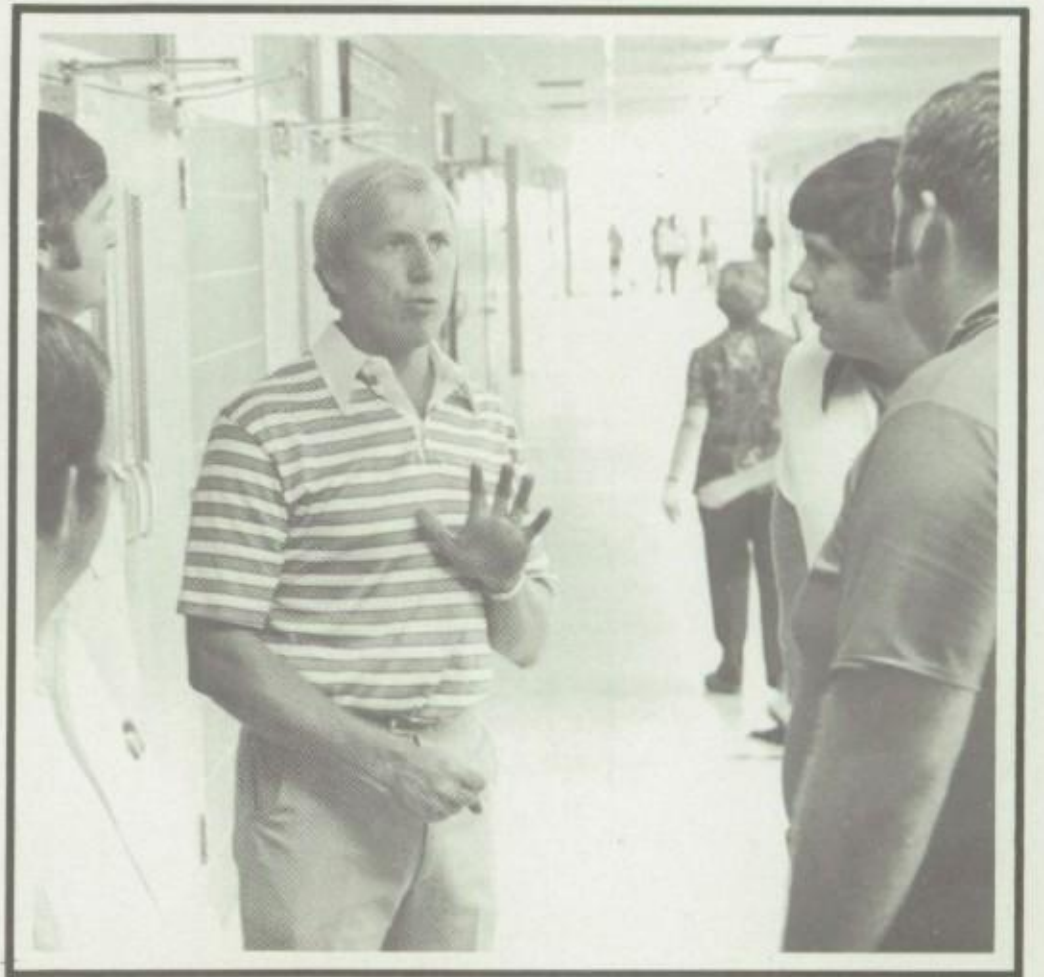

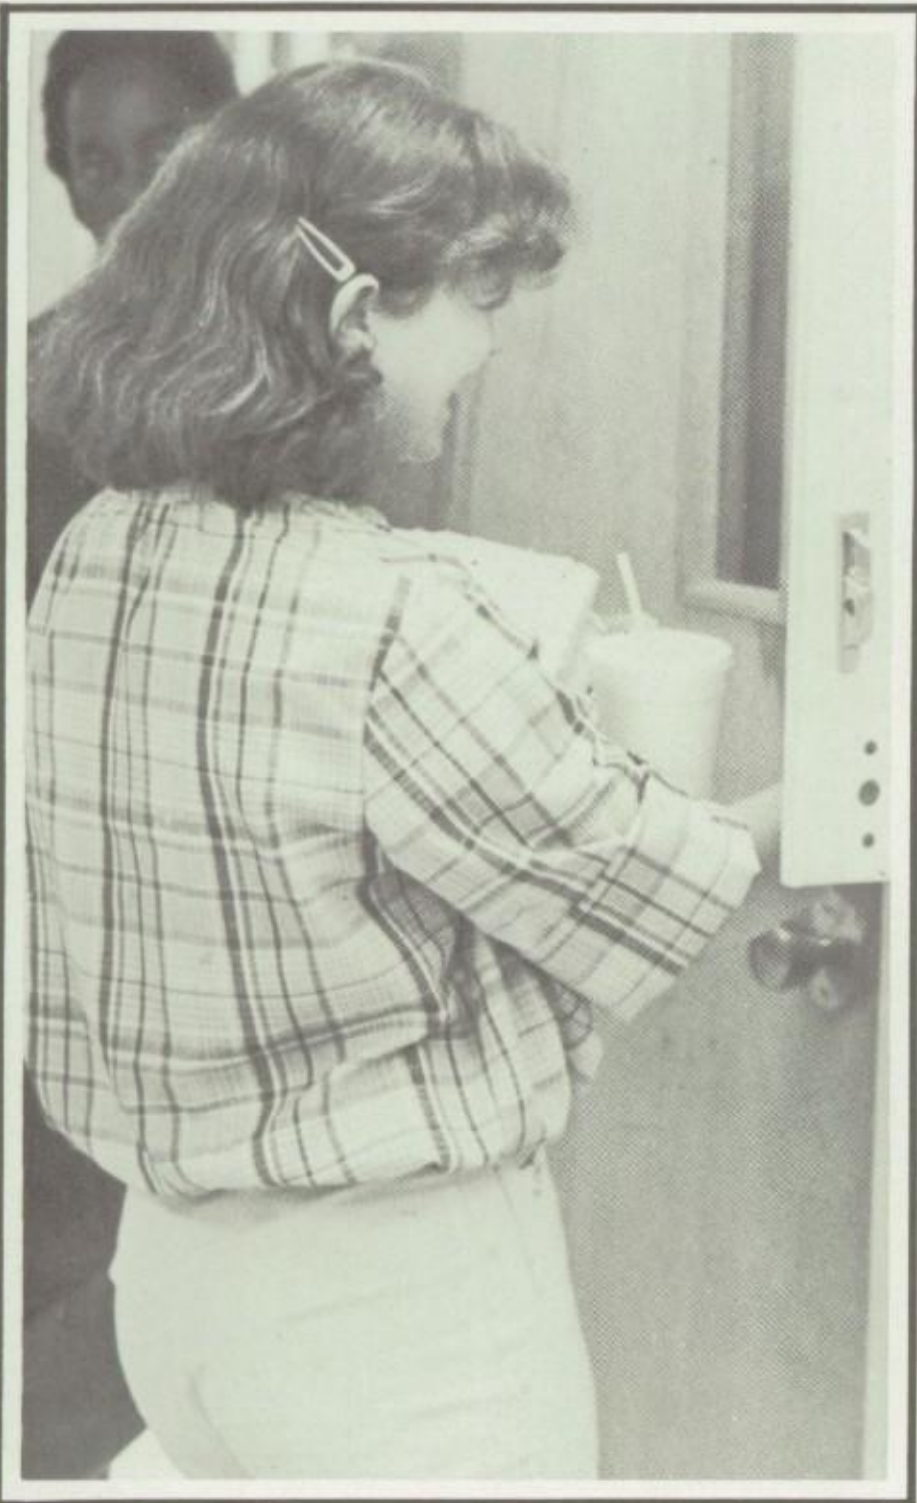

The first days of a child's school life are the most important and most memorable days of his life. No one in the district is more eager for the year to begin than the little fellows in K-4. 1979 was the International Year of the Child, a salute to the millions of children around the world whose being makes life more fun, more interesting and more tolerable for those who have passed the age of innocence.

A Day in the Life of C-C Students

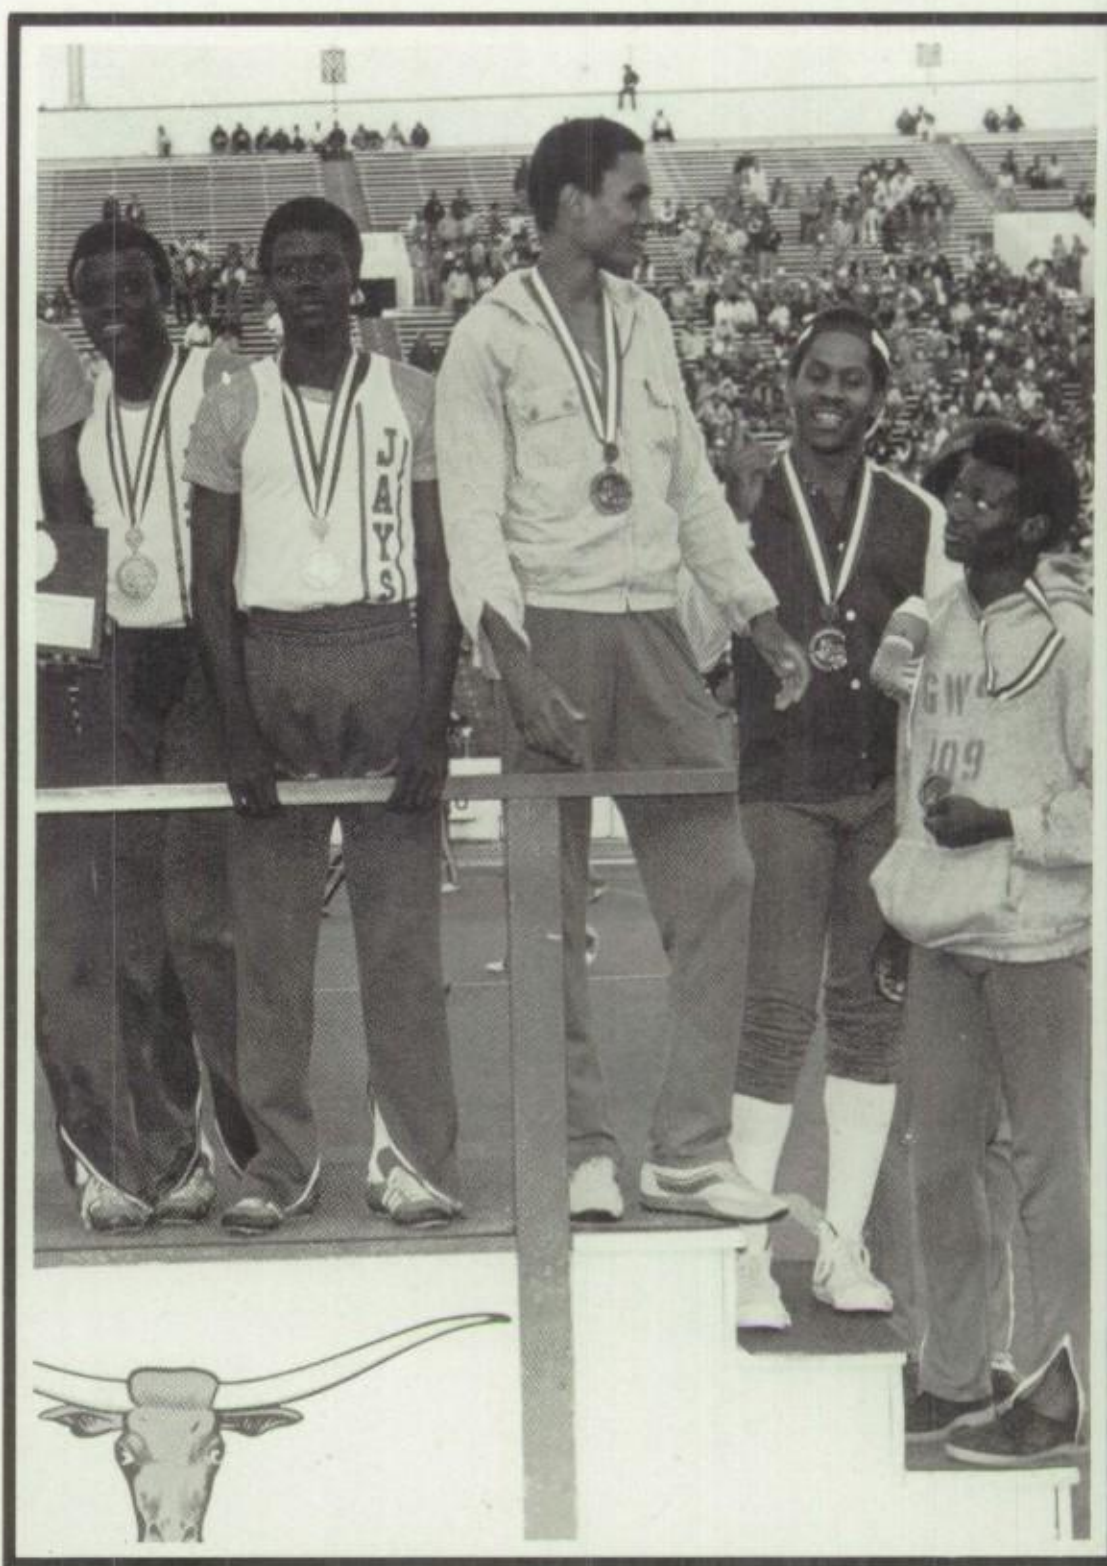

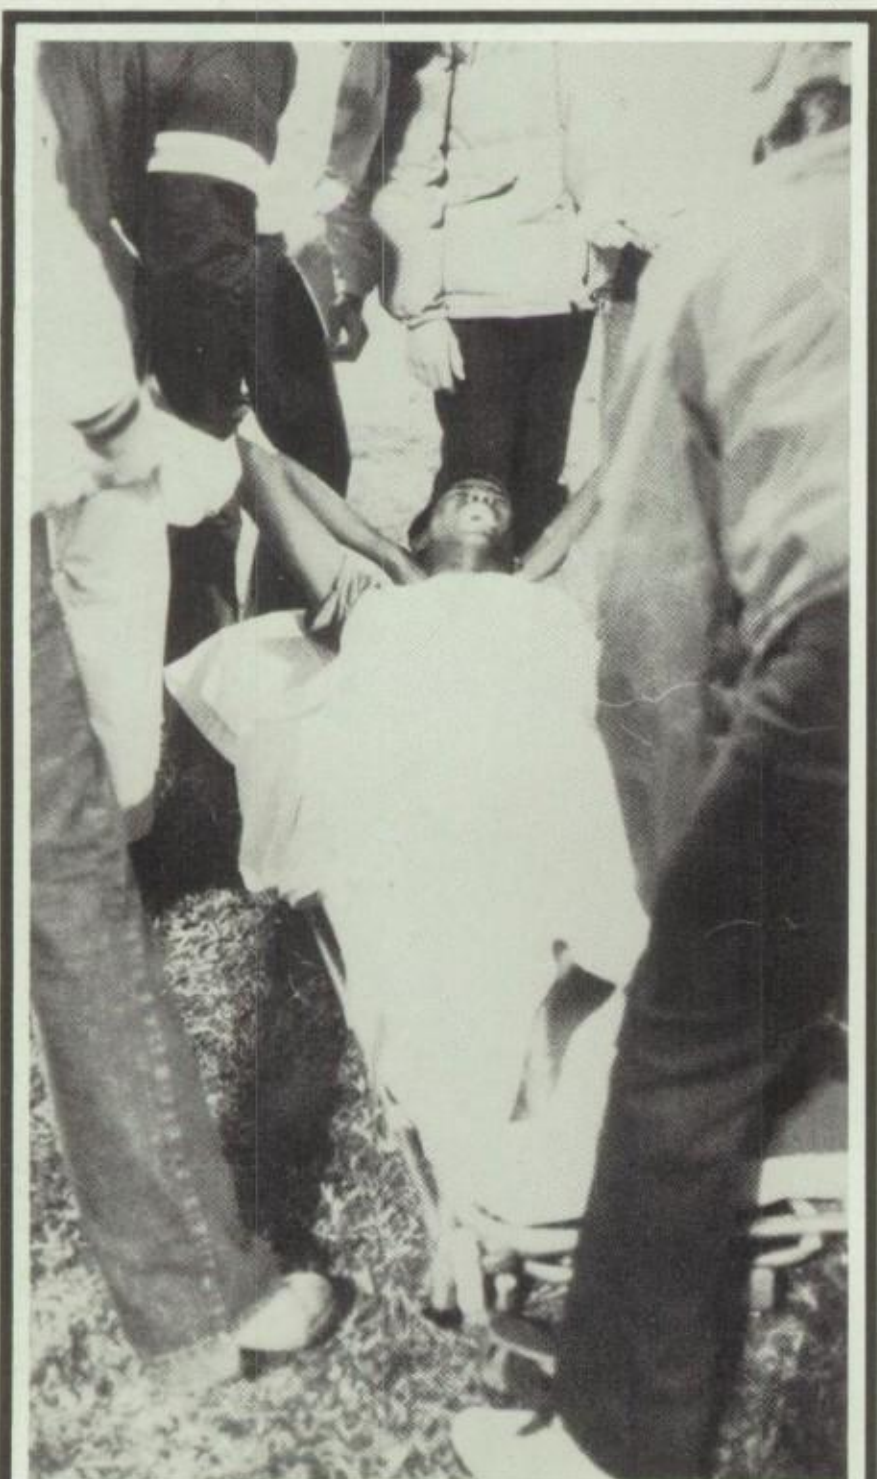

Today's changing world is characterized by motion, activity and movement. Today's students travel on private journeys of discovery, involvement and change. No student can emerge from a school year without being touched and changed by the journey he has made through time, classes, experiences, and the world. Often he knows more about himself as a result of his journey, and in knowing more he perceives more clearly who he is and who he is likely to become.

Stops Along the Way

Some memorable stops along the road made our year a unique one. (1) A Diboll J.V. football player will remember this year as the one in which he broke his leg in Corrigan. Corrigan coaches lend a helping hand. (2) Stefan Baker, George Rains and Lester Milburn receive their second place state track medals at ceremonies in Austin. (3) A truck spills logs only a few feet from the tennis courts at the high school. (4) A partial eclipse of the sun was recorded by photographer Henry Poole.

"The Magic Christmas Bell" Involves Time, Patience and Talent for Elementary

Approximately 260 Elementary students performed a Christmas play entitled "The Magic Christmas Bell" on December 14 at the high school cafetorium. Students in Kindergarten through fourth grade along with their teachers were involved in the production.

The major stars were Santa played by Stacy Whittington, and Wimble, Kim Phillips, and Nimble, Shelly Mallard. The play pictured a sleeping Santa on Christmas Eve. Countries from all over the world came to help get the toys ready for Christmas.

Dances and activities sponsored by different departments provided entertainment for the '79 school year. Spirit Week is always a big event at the high school during football season. Some of the activities included a (1) slave auction which raised a substantial amount of money. Also days were assigned as Sock, Hat and T-Shirt Day, Costume Day, Fifties Day, and Kid Day. (2) Delbert Wilson shows off his "original" hat. (3) Slaves Milt Purvis, Ken DuVall and Biliy Sam Locke perform services for their respective owners. (4) Gary Hoffman on Hat Day.

Wreck Close Call for CC Students

By Connie Blalock

Twenty-seven CCISD students that ride the Damascus-Hightown bus were glad to be getting home an hour early, Tuesday, Feb. 6, but they had no idea what was about to take place.

The bus was struck by a train in the rear, and knocked into a ditch near the track. The rear end was down in the ditch and the front of the bus was standing straight up when the dust cleared.

One student, Lorrie Keiffer, was hospitalized suffering back injuries. Her 13 year old brother James, was hospitalized after receiving a torn eyelid.

Three students were admitted to another Lufkin hospital. They were 10 year-old Gregory Bell, 13 year-old Dwayne Bell and 18 year-old Janie Connor. Other students who were treated and released were: Michael Ener, Kelly Smith, Karen Burks, Lisa Hendry, Heather Davis, Kenneth Keiffer, Felicia Hollis, Rene Burks, Keith Burks, Angie Jordan, Jackie Jordon, Damita Phillips, Steve McQueen, Jimmy Bush, Michelle Thomas, Jimmy Hulett, Sean Burks, Sherry Ratley, Shawn Smitherman, and Kelly Thomas.

Bus driver Joyce Phillips reportedly stopped at the crossing, but her vision was obstructed by parked railroad cars and a steady rain. She could not see the oncoming train.

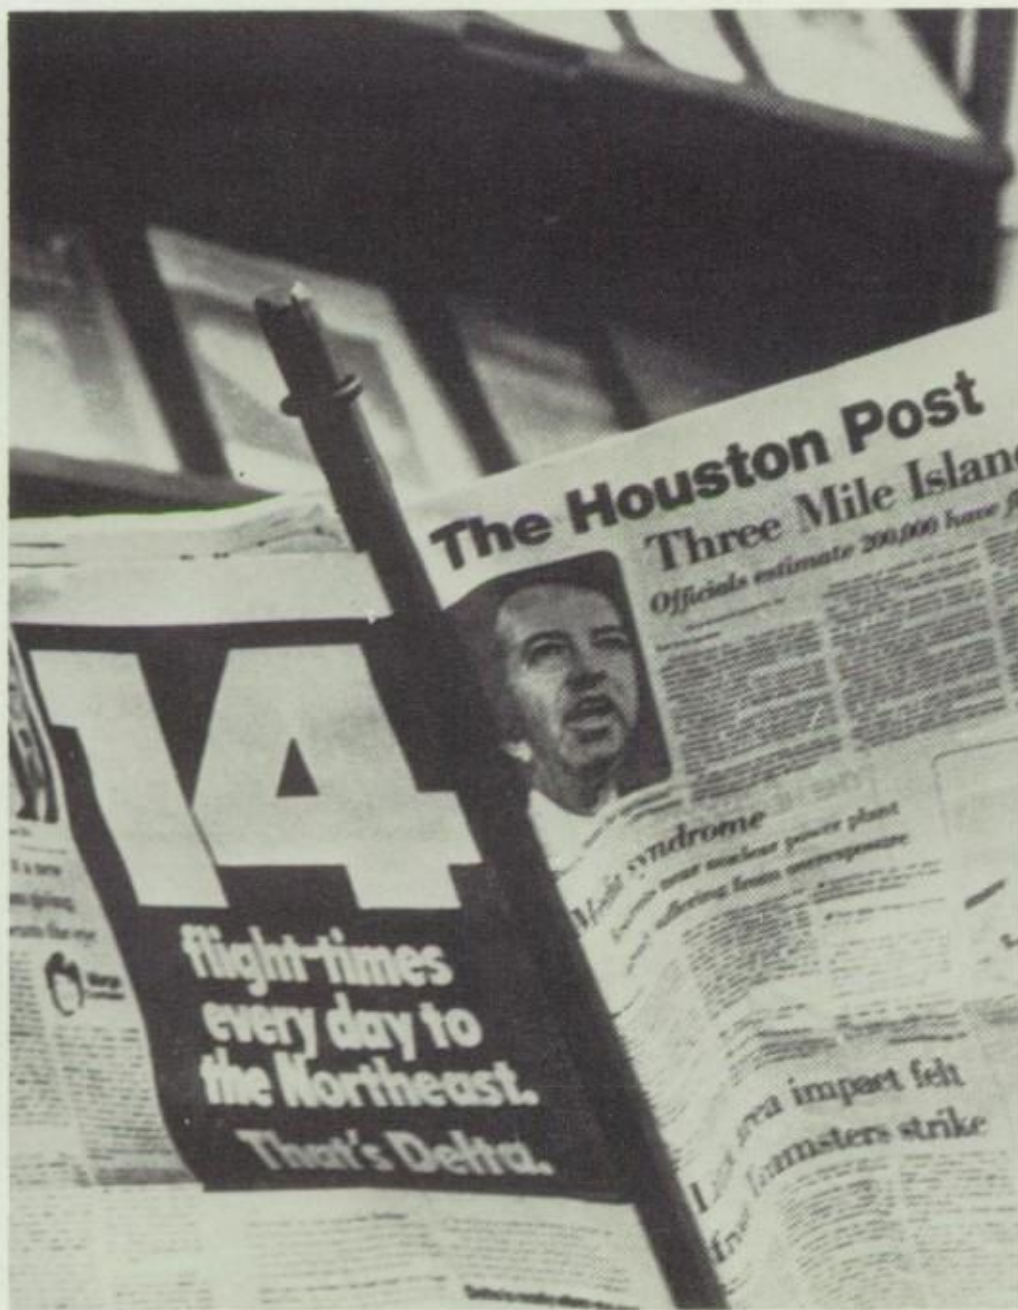

School Superintendent J. R. Cockrell had these comments about the wreck: "First of all, I'd like to say that we were very, very lucky not to have anybody more seriously hurt than we had. For this, we will always be grateful."

"Secondly, I was extremely proud of the way students involved conducted themselves in every instance. Their conduct is something we can all be proud of."

"Third, we can all be proud of the emergency crew and all the people who responded to the emergency; the ambulance, police department, and the people at the hospital — everyone concerned. They conducted a very gratifying response to the situation."

HAPPENING CCHS

A Collage of Faces, Activities, Fun!

Spectacular Finish

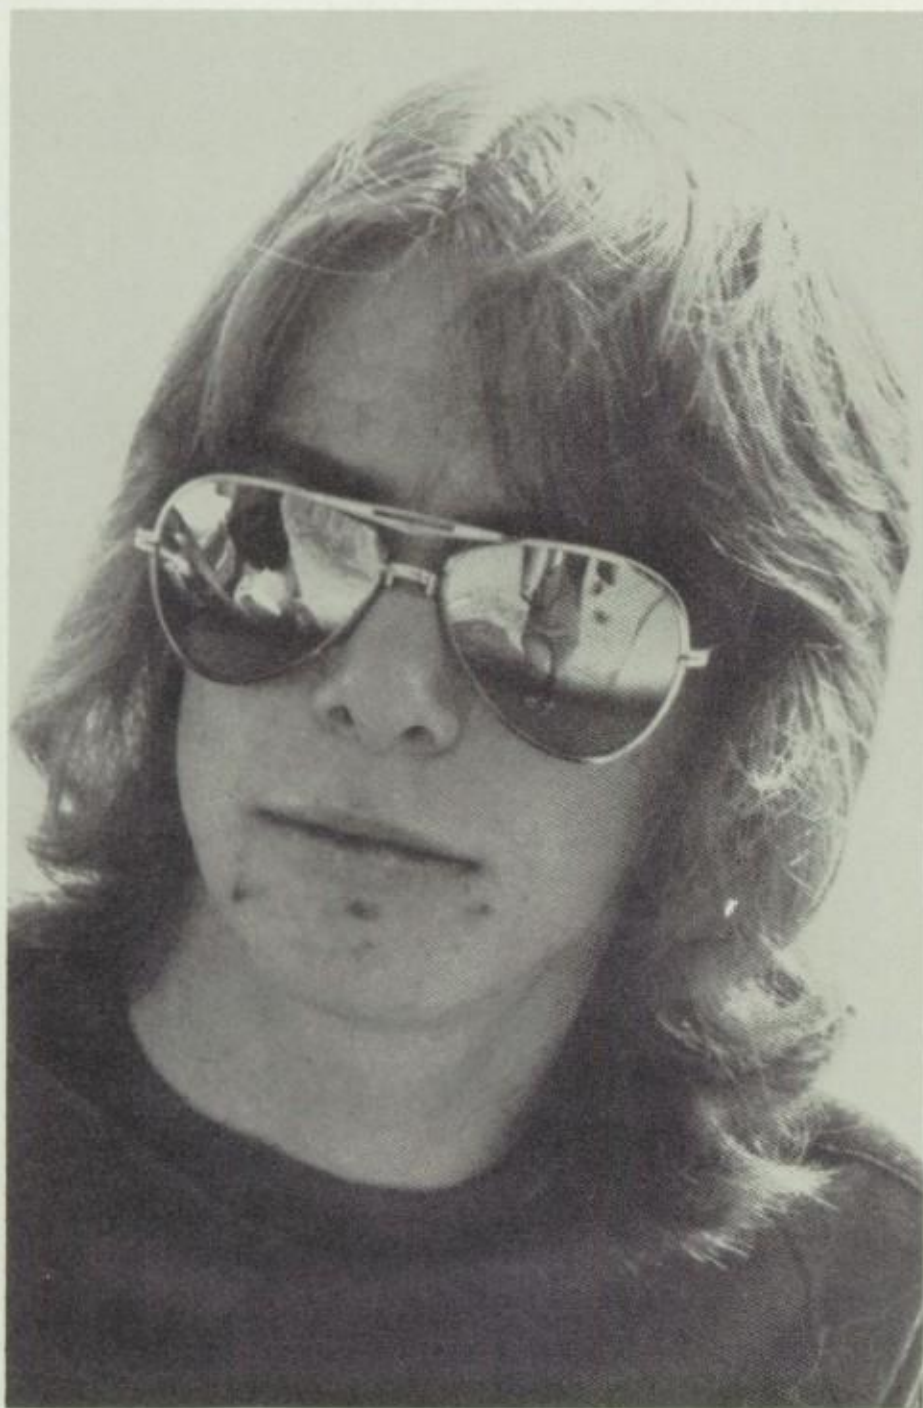

A "spectacular Finish" can only describe the last few months of the 1979 year at CCISD. Many classes took field trips and visited places of interest in various parts of the state.

Many honors were won by students including Mr. Denham's CVAE students (right) Mike Ivy, Nicky Emsoff, Ronald Bedgood and Lester Tatum. These students won second place in the Area IX Farm and Ranch Mechanical Repair Contest held April 25 in Huntsville. Students (middle photo) who placed in the free throw contest sponsored by the basketball coaches were DeWayne Renolds (top), first place; Tony Jackson, second place; Roderick Milburn, third place and Bruce Benjamin, fourth place.

Students from the Intermediate school who placed in the top five to represent the school at the Literary meet were (opposite page, top) Walter Fortune, Keith Franks, Suzanne Cathey, Tim Pennington, Joyce Colquit.

Henry Poole was awarded a National Merit Scholarship with Champion International as Corporate Sponsor. James Nowak, salutatorian, was awarded the Champion 4-year Scholarship. Other scholarships and their recipients included: Martin Williams, Lufkin Industries; Verna McCarver, Beta Sigma Phi; Michael Splettstosser and Shelaine Briscoe, American Legion; Stefan Baker and Stephanie Jacobs, United Collegiate Scholarship; Beth Smiley, Michael Cockrell Memorial Scholarship.

Among the most successful was "Spirit Week", Oct. 9-13. Each day's activity included a special dress-up. The last football game the council sponsored senior recognition night, presenting Seniors with corsages. During basketball season a dance contest took place during halftime of the last district game. The winners were Damita Phillips and Tyrone Walker. In December, Student Council gave members of the Christmas light committee a check for \$100.00.

Though marching season comes to a close in November, preparation for Concert and Sight-Reading Contest begins. The band attended Concert and Sight-Reading Contest at Chann-leview on April 29. They came away with a rating of III in concert and II in sightreading.

Among the most successful of the activities sponsored by the PTA was the "Gong Show" held in the high school on March 17. Gong Show Judge Robert Smiley (left) and Principal Hyde boogied to the music of "Southern Pride." Jana Bildeau (lower left) was on hand to sing. (below) Michael Jordon's impression of Elvis — scarves and all — won him the top prize. PTA officers in bottom picture are (from left) Edith Vinson, secretary; Lois Hubbard, president; Lennie Rutledge, treasurer; O'Weena Saxon, parliamentarian; and Not pictured, Arlene Lott, vice-president.

'78 Bulldogs Faced New Foes in 21- 2A

This year it was new names and faces on the other side of the scrimmage line as coach Alec (Buzzy) Cockrell and his football team were in District 21-2A, a new district for the Bulldogs. The 1978 version of the C-C Bulldogs featured six returnees to the offensive team and seven starters returning to the defensive squad. Although Crockett was favored as district champs, Coach Cockrell felt confident that the Bulldog team had as good a chance at coming out on top. Helping Cockrell from the sidelines were assistant coaches Lonnie Beaumont, Gerald Babineaux, and Jim McDowell.

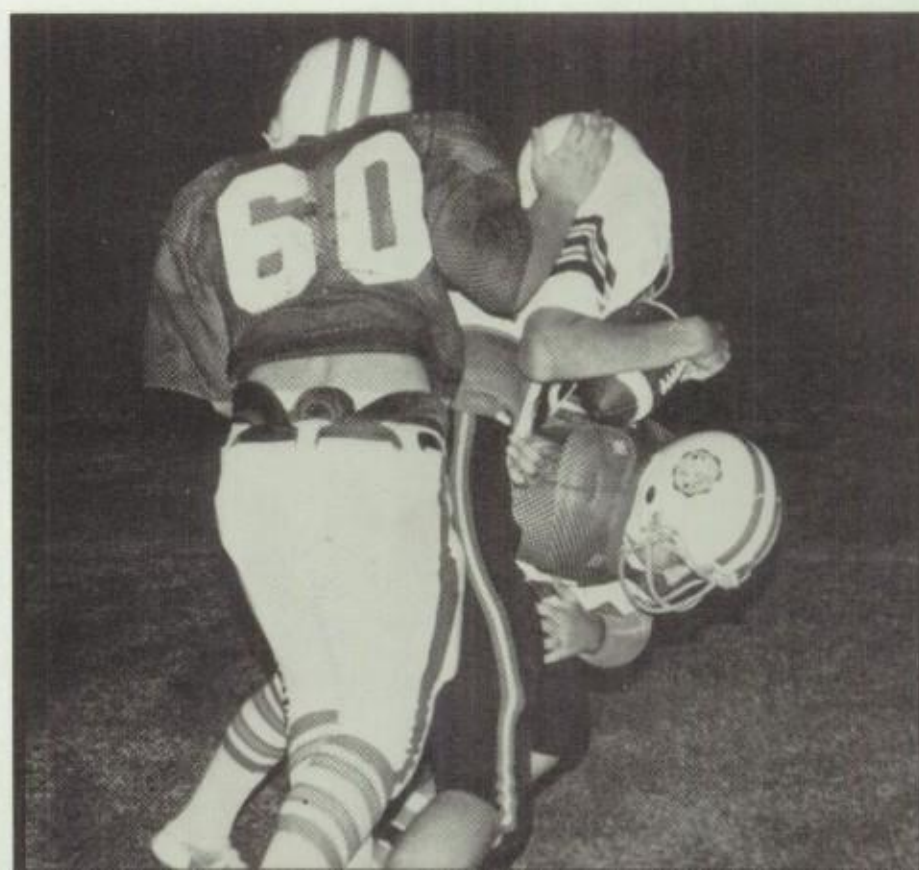

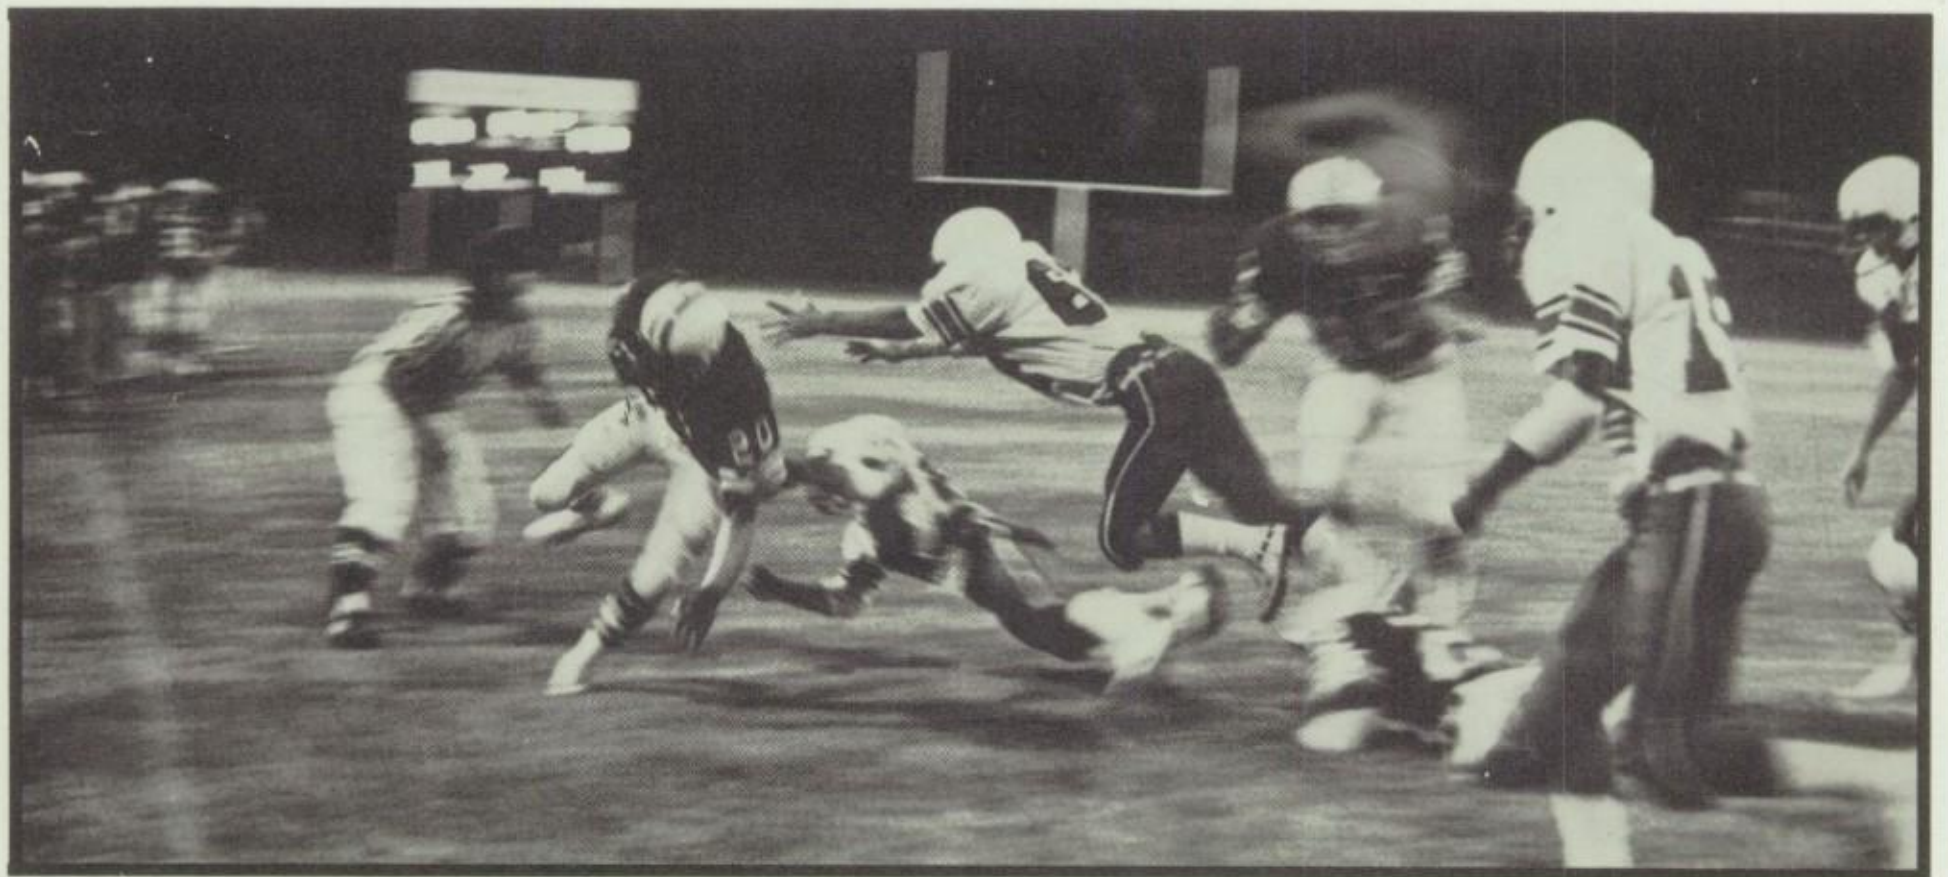

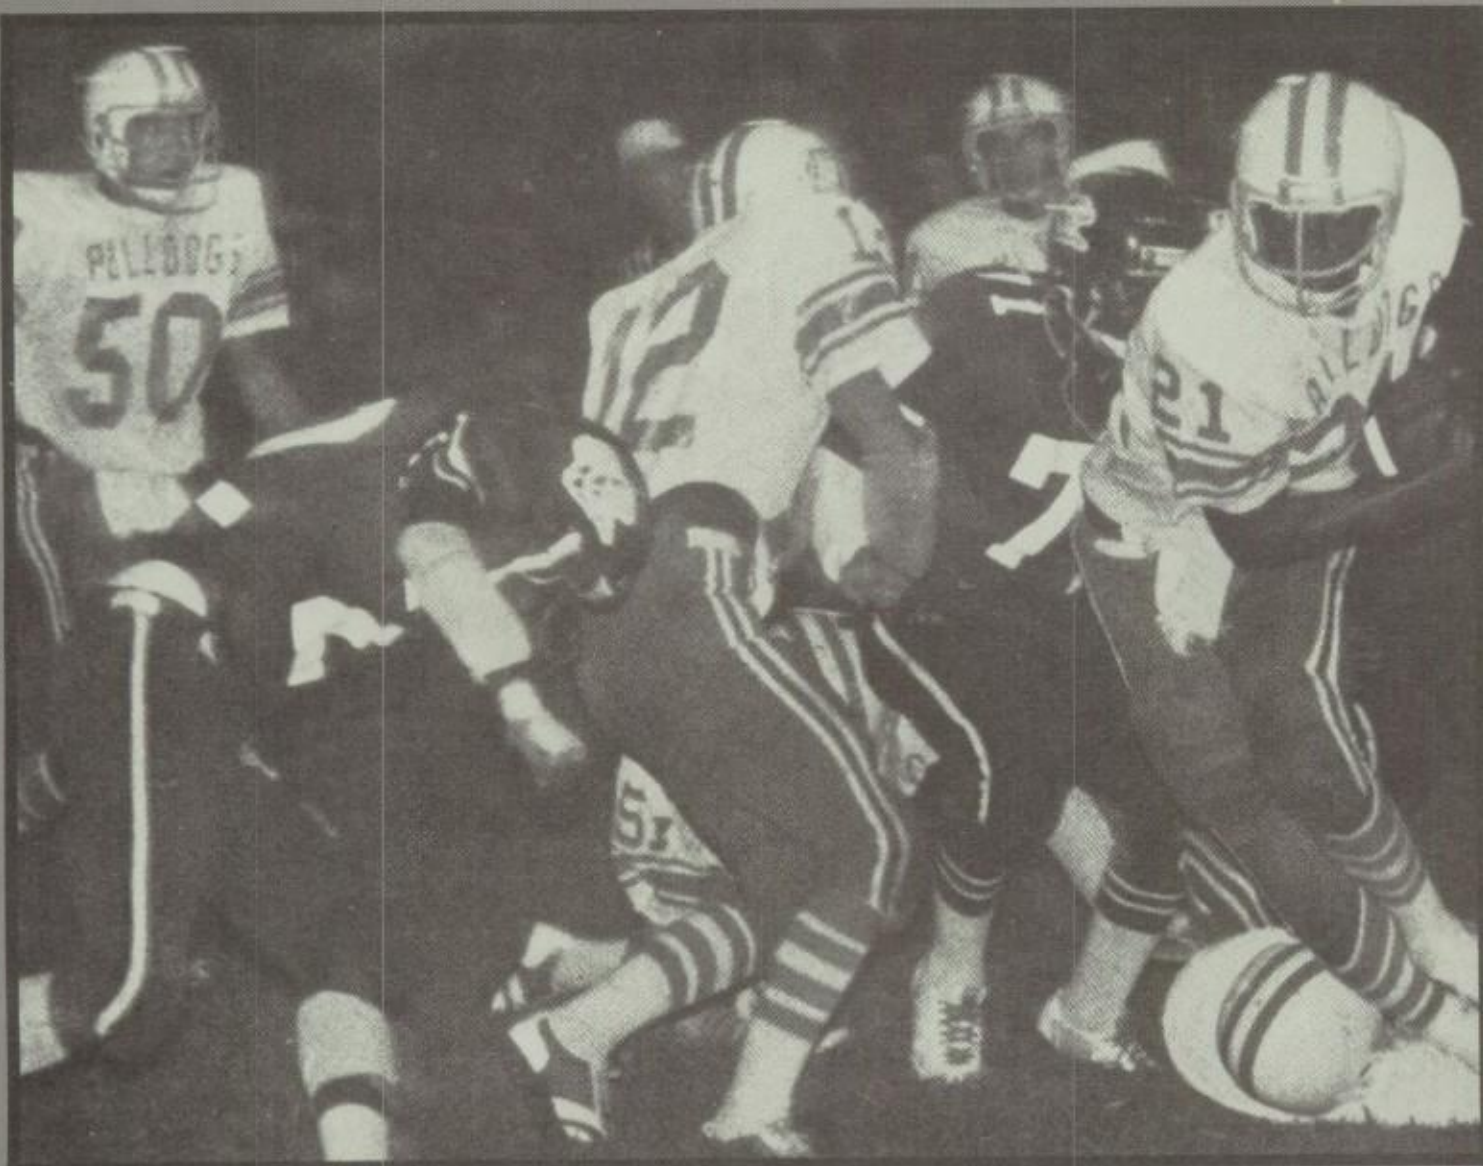

In addition to facing new district foes, the Bulldogs made several grueling road trips including 110 miles to Fairfield and 120 miles to Teague. As a result, the student body participated in their first early pep rallies as the team boarded the bus.

In spite of this however, the Bulldogs won five of their 10 games with the help of 1655 yards rushing by Junior, Tony Jackson, who led the district in rushing. Also helping out were Raymond Woodard who received 26 passes for 350 yards. On defense were Ken DuVall, Billy Sam Locke, Keith Bullock and Michael Splettstosser displaying consistantly outstanding blocking.

'79 Season at a Glance

CORRIGAN — 6

HEMPHILL — 14

The first game of the 1978 season ended on a 14-6 loss for the C-C Bulldogs. Fumbles and penalties plagued the Corrigan offense throughout the entire game. The first TD of the 1978 season for the Bulldogs was set up with a handoff from QB Donnie Harris to senior running back Fredrick Stephens.

CORRIGAN — 33

GROVETON — 6

The Bulldogs quickly forgot their loss to Hemphill when they defeated the Groveton Indians with a dominating score of 33-6. It seemed to happen at the rate of every five years and it happened at Bulldog Stadium Friday night September 15.

The Bulldog running game supplied the initiative for victory. The 'Dogs first TD came when 3rd string QB Frederick "Boo" Stephens handed off to running back Tony Jackson. Jackson averaged 197 yards during the game. Other Bulldogs scoring TD's were seniors Keith Bullock — 2, "Boo" Stephens — 1, and Micheal Jordan — 1.

CORRIGAN — 13

WOODVILLE — 20

The Corrigan-Camden Bulldogs suffered another loss against the Woodville Eagles which left them with a 1-2 season mark.

A surprised Alec Cockrell stated, "I couldn't have asked for any better coverage, we just went up for it and they came down with it." The two long Woodville TD's erased a first quarter 7-0 lead held by Corrigan after Keith Bullock had carried the ball over from eight yards out on a sweep play for the first Bulldog score. Both teams went into the halftime with the Eagles ahead 14-13. A last minute TD was added by the Eagles in the 4th period to run the final score to 20-13.

CORRIGAN — 55

WARREN — 0

To conclude the last non-district game, the C-C Bulldogs tromped over the Warren Warriors with a final score of 55-0.

Touchdowns came easy for C-C's first string players. Scoring TD's for the Bulldogs were seniors George Rains — 3, Keith Bullock — 1, Raymond Woodard — 1, and Juniors Donnie Harris — 1, and Tony Jackson — 2. Rains kicked and made all the extra points except one.

CORRIGAN — 29

FAIRFIELD — 9

The Bulldogs opened their district games with a 29-9 victory over the Fairfield Eagles. Although Fairfield scored first with a field goal and led going into halftime, C-C pulled out a number of tricky plays and walked away with a win. Tony Jackson scored three TD's for Corrigan and George Rains scored once.

CORRIGAN — 13

CROCKETT — 21

The district 21-AA "Battle of the Bulldogs" lived up to its pre-game billing but the favored Crockett Bulldogs came out on top. The disappointed C-C Bulldogs accepted a 21-13 loss from a hard hitting Crockett team.

Things looked good at first for the Bulldogs when Tony Jackson ran 69 yds. for the TD on the second play of the game. Crockett then came back and took the lead after scoring and gaining the 2 pt. conversion. Both teams scored before halftime but Corrigan failed on the 2 pt. conversion and Crockett had the lead 15-13. Crockett scored in the fourth quarter and took a 21-13 victory home.

CORRIGAN — 12

TEAGUE — 34

The 'Dogs failed to execute against the Teague Lions forcing them to accept a 34-12 defeat. Blocked punts, fumbles, and interceptions plagued the Bulldogs during the game.

Donnie Harris scored the 'Dogs first TD after a long drive. Raymond Woodard scored the last TD for C-C on a pass from QB Harris. Unable to score again the Bulldogs accepted a 34-12 loss.

CORRIGAN — 6

WESTWOOD — 28

The Bulldogs lost their final hopes for a district title when they lost to Palestine-Westwood 28-6.

Westwood controlled the ballgame by scoring 21 points in the second quarter. The only Bulldog score came from Tony Jackson in the third quarter on a 72 yard run.

CORRIGAN — 42

RUSK — 7

The C-C Bulldogs won their second district game after defeating the Rusk Eagles 42-7. A series of Eagle fumbles set up several Bulldog touchdowns.

Scoring TDs for the Bulldogs were Juniors Donnie Harris — 1, Tony Jackson — 3, and Seniors Keith Bullock — 1, and Joe Puntch — 1.

CORRIGAN — 7

DIBOLL — 6

The last game of the 1979 season ended in a one-point victory for the C-C Bulldogs with the final score 7-6.

Diboll scored first but only held a 6-0 lead until the second quarter. Keith Bullock then scored the only Bulldog TD and Senior George Rains kicked the extra point.

Although the Corrigan-Camden Bulldogs failed to win the 21-AA District Championship, they played and fought a long hard season. Now it's all a memory. One to be remembered for years by the seniors, coaches, and fans.

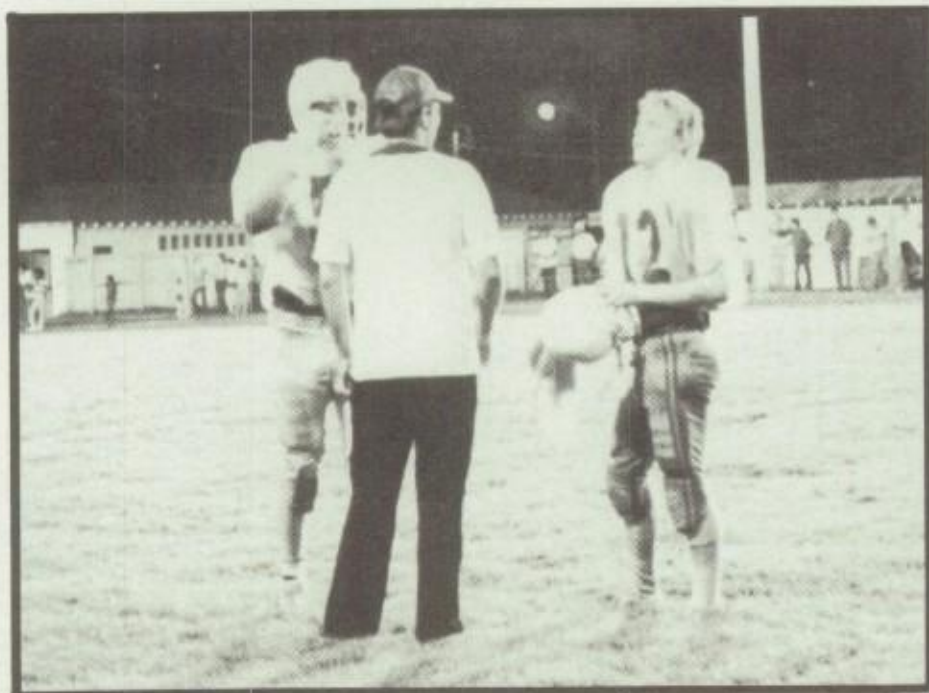

Junior Varsity Is Moving Up

Junior Varsity Football coaches Lonnie Beaumont and Gerald Babineaux had a very good year of rough, tough football. The J.V. squad had about 25 players. The boys worked hard all year to possibly achieve a position on next year's varsity team. Some will reach this goal and others will strive to reach it in the years to come.

Taking a break.

Coach Babineaux gives advice.

Go get 'em 50!

Members of the Junior Varsity Football team are: Kneeling, Wayne Purvis, Daniel Pitre, Mitchell Haggerton, Bruce Benjamin, Michael Pounders. Second row, Jesse Cole, James Cathey, Garland Knighton, Michael Darden, Mark Bullock and Hilera Roberts. Third row, Dexter White, Aaron DuVall, Victor Brooks, Bubba Byron, DeWayne Burks and Richard Duff.

Junior High Football: *Players learn meaning of 'practice'*

The Seventh grade football team consisted of: (top) Cornelius Mitchell, John Hood, Phenix Jones, Marty Thompson, Frederick Jackson. Second row, John Marshall, Jack Block, James Seale, Charles Willson, Kenneth Keiffer. Kneeling are Herman Graham, Terral Purvis, Billy Foxworth, Jerry Dorris, and Paul Martin.

All-District winner David Hulett (31).

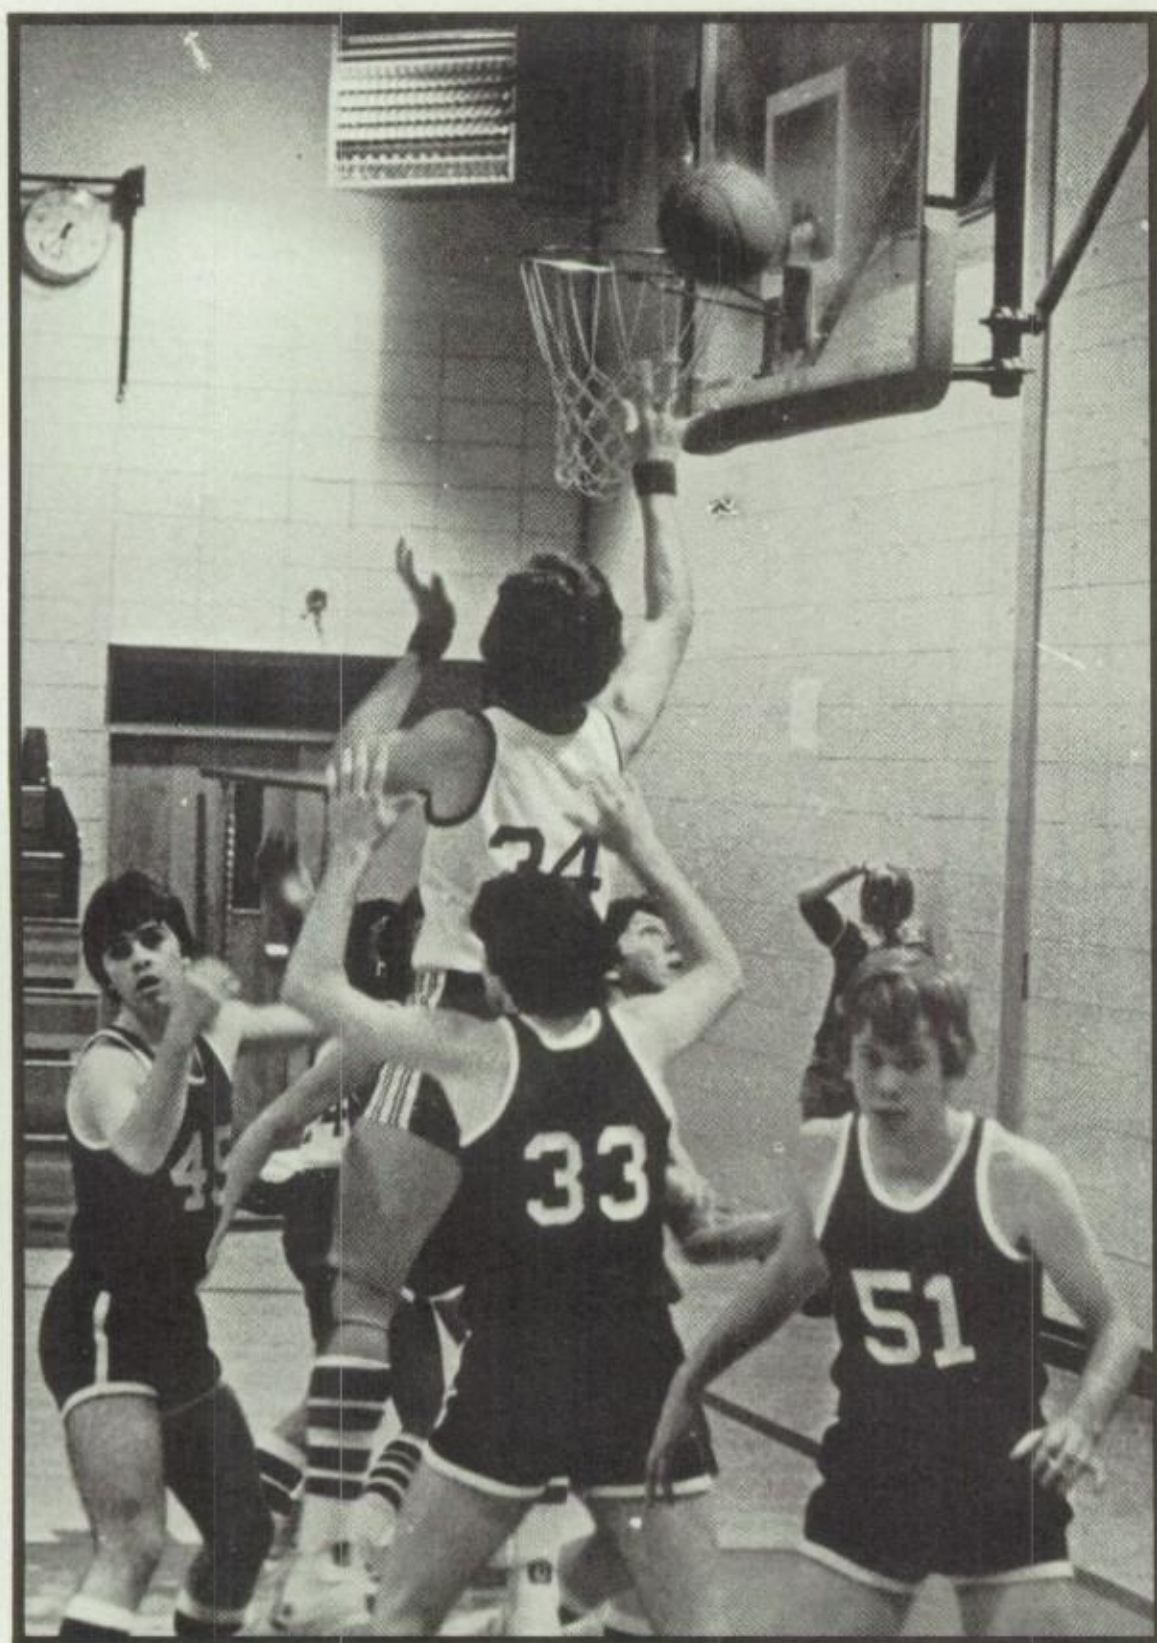

The object of the game is to put the ball through the hoop.

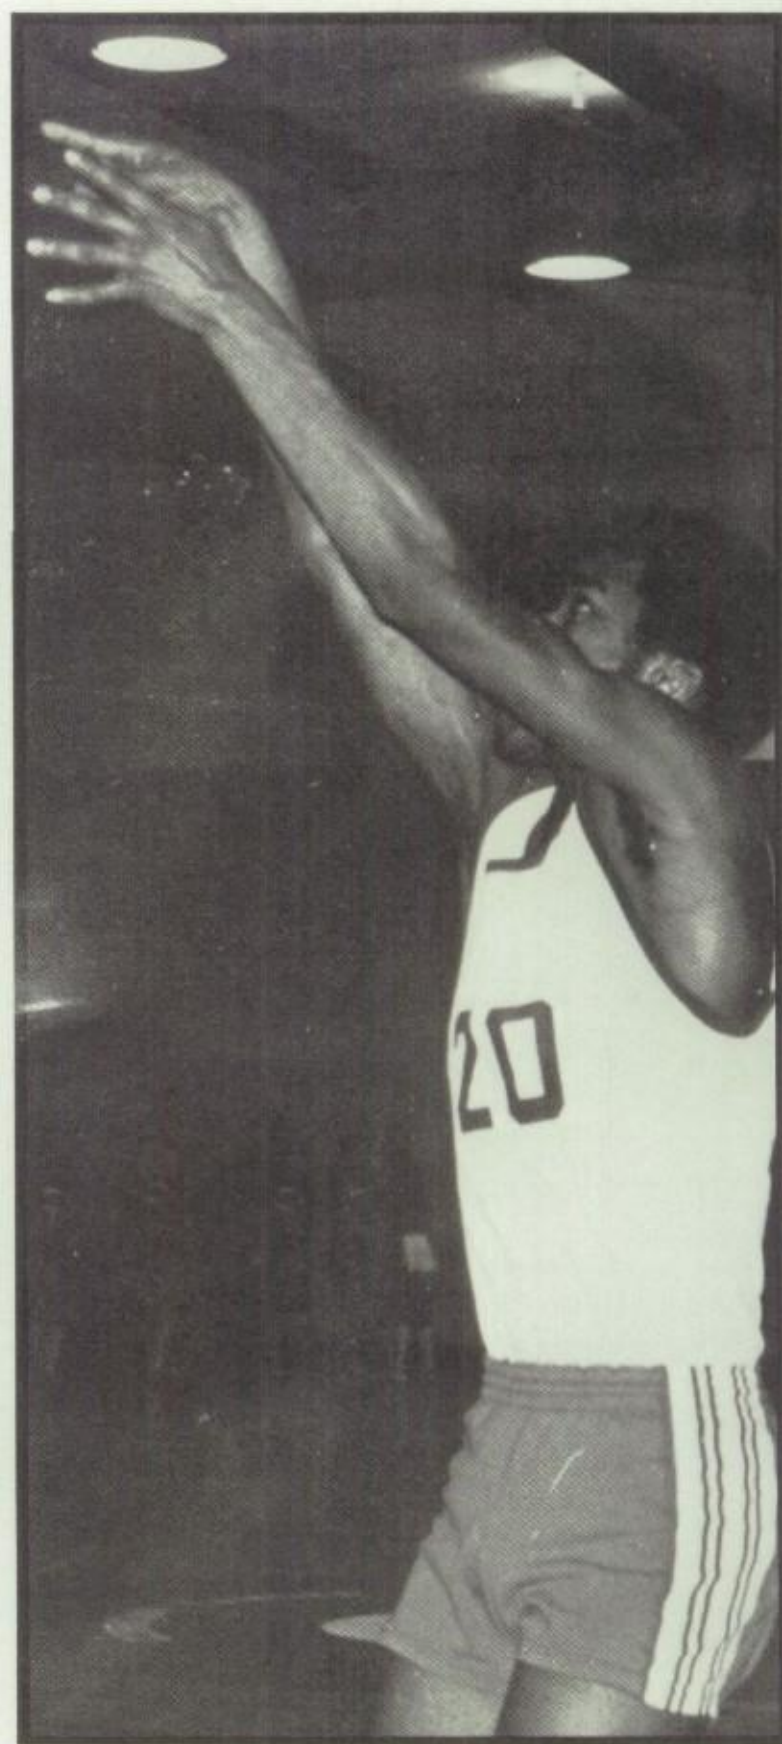

Boy's Basketball Shows Improvement

Stephanie Jacobs (kneeling) was the lone all-district pick. Stephanie and Shelia are both three-year lettermen, while Shelaine is a two-year letterman and Margaret, one-year.

Track season for the boys went all the way to May 11-12 and the State meet in Austin. The sprint relay composed of Stefan Baker, George Rains, Tony Jackson, Lester Milburn and alternate Dexter White placed second in state with a time of 42.4 behind Needville.

Coach Cockrell expressed pride in his tracksters this year. The only disappointment was the injury plagued Tony Jackson. If his injuries hadn't intervened, CCHS would probably won the state AA meet.

The boys attended and placed in the following meets: Woodville, second; Warren, first; Madisonville, second; District 21-AA second in Teague; Regional meet in Brenham, fourth.

The C-C girls showed just as much talent. Linda Colquit and Susan Denman qualified for region in the discus and shot put respectively.

Some meets the girl's attended and placed in were: Woodville, second; Warren, second; District 21-AA in Teague, fifth.

Special Olympics

Tommy Moreland, Richard Lewis, Lonnie Johnson, Dennis Armstead, Orville Jones, Willie White, Donald V. Jackson, Pearalla Colquitt, Terry Thompson, Charles Knighton.

Dan Kervin, Jerome Cole, Jerry White, Patricia Butler, Kenneth Youngblood, Gale White.

Sponsors of Special Olympics are Mr. Parrish, Mrs. Johson, Mrs. Rawls, Mrs. Cluff, and Mrs. Parrish.

The purpose of Special Olympics is to provide an opportunity for success through physical activity in recreation and sports.

Special Olympics was established in July, 1968, by the Kennedy Foundation. Currently, there are one million Special Olympians in 90% of the nation's 3,000 countries.

Participants are placed in events by age, sex and ability levels, thus assuring that each will have an equal chance to be a winner.

Participants who have competed in a district track meet are eligible to advance to the State Track and Field Meet held each year in Austin.

Varsity Baseball

Coach Lonnie Beaumont, Michael Splettstosser, Kenneth DuVall, Bill Brandenburg, Greg Frankens, Terry Phillips, Donnie Harris, Bill Locke, Gordon Lambright, Robbie Harris, Kenny Moulder.

Michael warming up for a game.

Even though C-CHS lost four seniors and Coach of the Varsity Baseball team it proved that those who are left are certainly not losers. They've shown they will try even harder to reach the goals of maybe not always being a winning team but to have a team that works together and gives all it's got.

Junior Varsity Baseball

The Junior Varsity baseball team worked hard all year to improve their ability and technique for the upcoming baseball season. These young men know that there will be at least four positions open the coming season and that maybe they will either be picked to fill these positions or at least be promoted to the Varsity Squad.

When Thomas Louis Latane Temple stepped off the train eighty-two years ago, we became a part of Diboll. We've grown quite a bit since 1894 and now Temple Industries is part of an organization with offices in places like London and Paris, New York and Madrid. The future holds great promise, and we're understandably proud of our growth. But mainly we're proud of being a part of the finest group of people in the world... the folks of East Texas.

A YEAR IN CORRIGAN-CA 1978

Woody Allen and Diane Keaton recreated the course of their own real-life love affair in **Annie Hall**, which won an Academy Award.

THE LIFE OF MDEN STUDENTS 1979

Running for fitness and fun became a national craze.

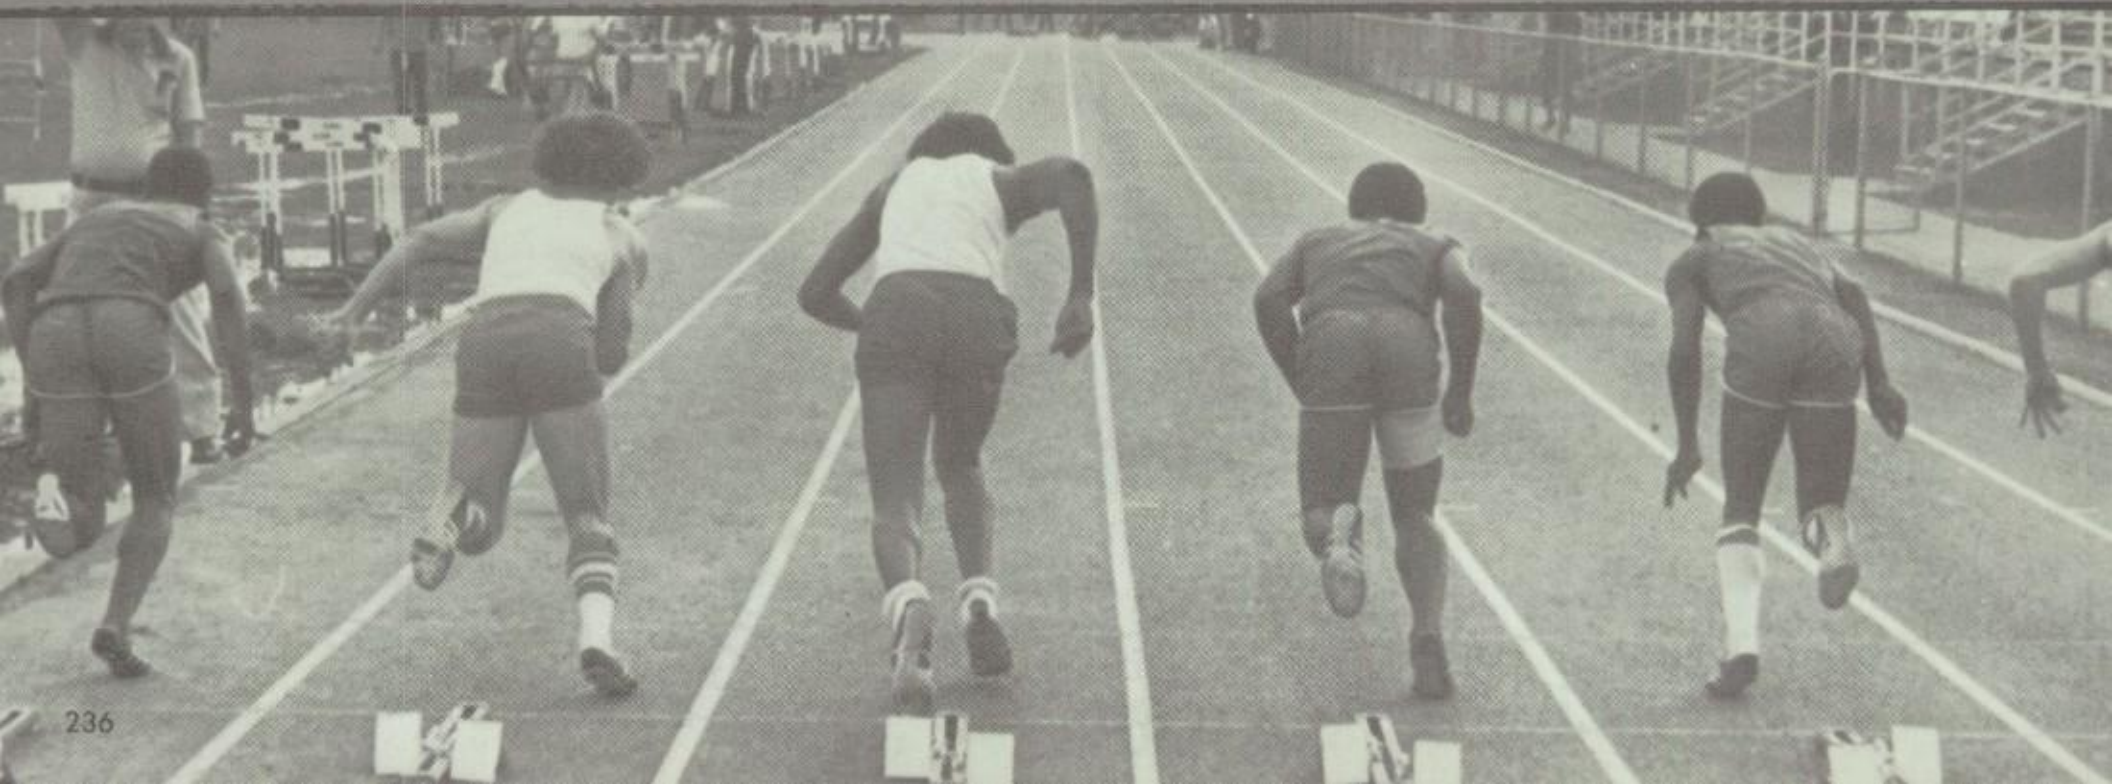

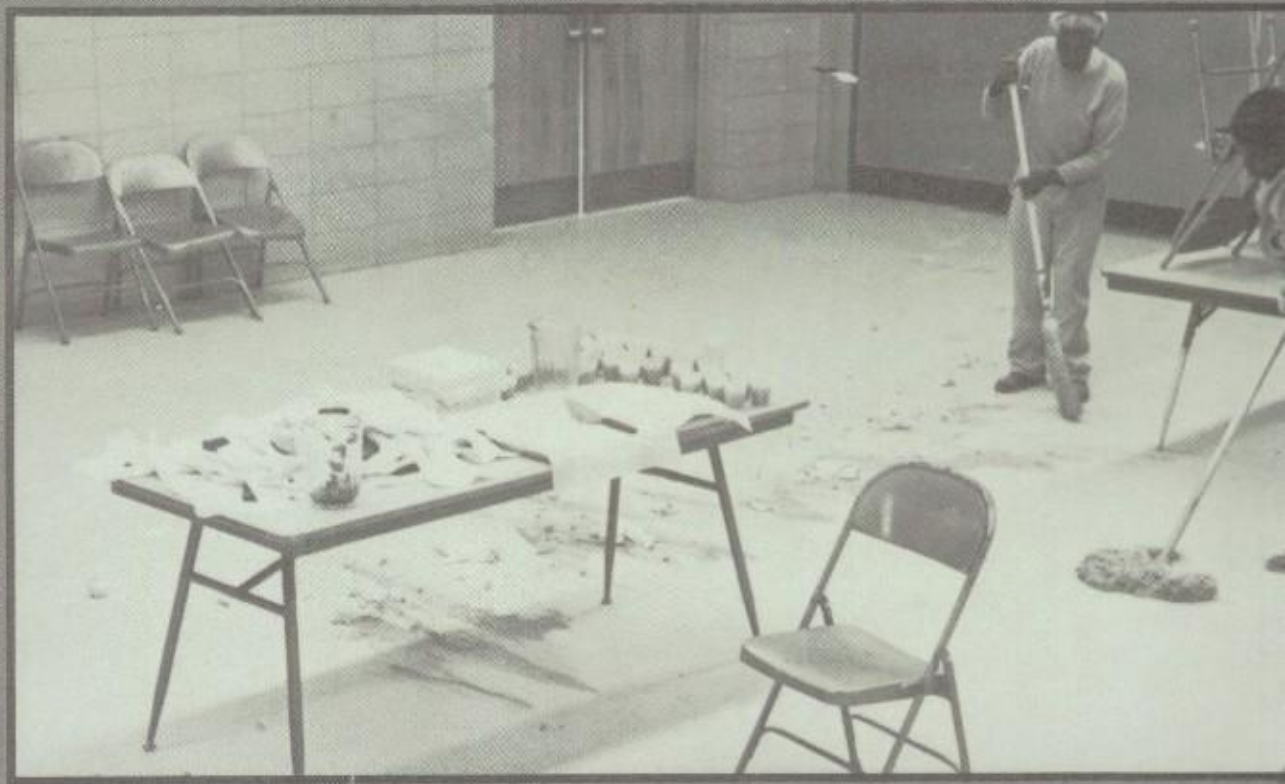

President Carter displays his famous smile after being elected.

The hard-hitting reporting of **60 Minutes** (below) consistently gave it high Nielsen ratings. Some students said it was the only TV show they watched.

Will You

Remember?

1979

MOVIES are a reflection of the times we

live in, and today's audiences like to react — and react strongly to what they see. **COMING HOME** is a film that goes beyond the war by dramatizing the healing potential of the communication involved in Jane Fonda's and Jon Voight's relationship. The movie

delivers a prolife message. **DEER HUNTER** is a rich human and harrowing story of how Vietnam affects the lives of five friends from a steelworking neighborhood. **SUPERMAN** is a delightful surprise, not only does it have great special effects, intergalactic adventure and Superman saving the world from doom, but also it has wit and style, making it a fantastic movie.

Do you ever get the impression that new dress-styles aren't new at all; that you've seen and worn them before? Well, you're right, because fashions follow a 20-30 year cycle. In the last few years we've seen hemlines rise and fall, waistlines tighten or disappear, modest necklines give way to plunging ones, and bathing suits diminish from coveralls to almost nothing. In 1979 the fad was disco. Slim satin pants, plunging silk shirts, and exotcic heels became the total look for the fashion during this year.

1979 can be considered the birth of DISCO. The nation was packing the Discos on Saturday nights. To add to the effect of the dress, and music, disco and strobe lights became the essential for a successful disco.

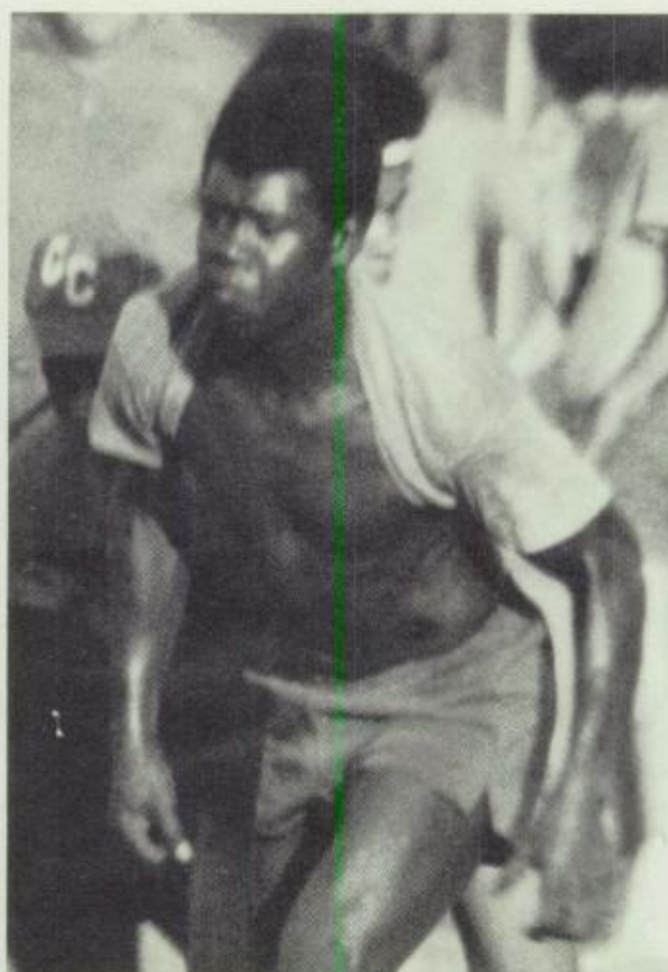

The city of Corrigan became a center for national news twice in 1979. Despite the bus-train accident, the little town in Texas found itself in the news again when toxic chemicals were dumped into road oil used in several East Texas subdivisions, among them, Reilys Village. Congressman Charles Wilson assisted in the questioning during a hearing held in Corrigan Wednesday May 30, 1979, concerning the dumping.

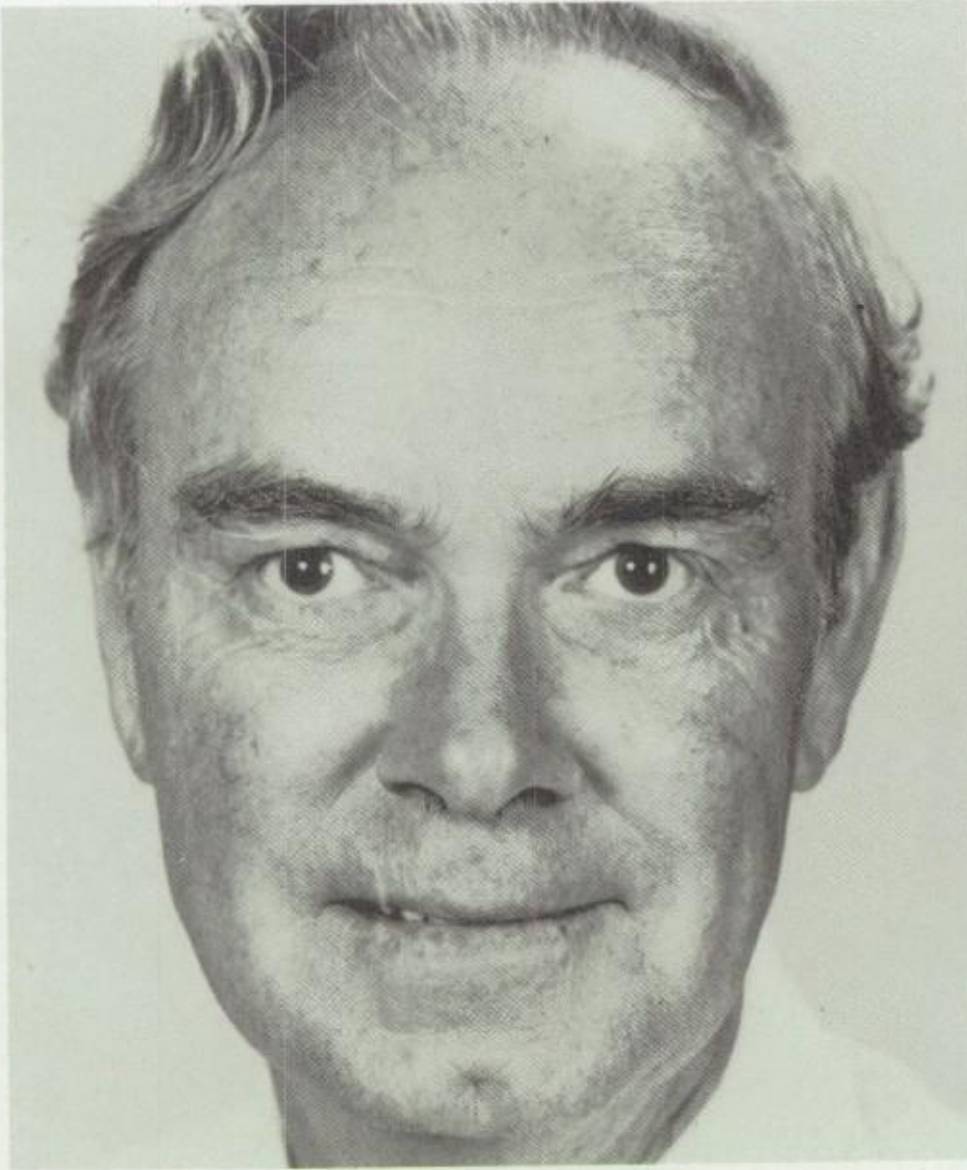

Coming Home

Yet today, I, for the last time walk down these halls, and now it is I who am carefully rearranging, erasing, working my way forward. The emptiness of familiar places causes me to reflect. I recall what I learned, how I grew, those who inspired me, and the fragments of that long last mile, the pep assembly outside, and that game that gave to us a meaning of what the word teammate truly means. I remember saying "Hello" a million times and "Goodbye" a few more. I want to remember everyone as they were. Maybe not as friends, nor acquaintances, but as teenagers, who together shared all the pains and joys of growing; because this was a brief encounter where our two worlds meet and pass framed in the memories of when we were one. Now I'm seeing things through new tear-filled eyes and a sad heart. Soon I'll say farewell and continue on, Alone — A shiver runs through me in the cool quietness of the hall. I now realize it's my last time to be a part of this. It's time to say goodbye. Goodbye to many special but different people who came together at Corrigan-Camden High School for different reasons, but united for one cause and called themselves BULLDOGS.

Dedication

J. F. Hyde

Alec Cockrell

If dedicated service to one's job is a measure of success, both J. F. Hyde and Alec "Buzzy" Cockrell are successful men.

Frank Hyde came to Corrigan in 1967. Only a short month after his arrival the high school building burned to the ground, and Mr. Hyde faced the most crucial time in his career — reconstructing classes and records at Moscow. Since then he has endeared himself to students, and become an advisor, mediator and friend to all teachers who worked under him. His fair and "cool" manner of handling difficult situations has been his trademark.

He grew up in Leesville, Louisiana. He taught in several schools including Moscow, Andrews and Leggett before settling in Corrigan. He attended college in Mexico City at the University of the Americas where he obtained his Bachelor's Degree. He then went on to Stephen F. Austin University for his Master's.

Coach Buzzy Cockrell can never be accused of not giving his best at coaching for the past twelve years at Corrigan. For nine years he coached baseball, and his teams won three district championships and one Bi-District championship. His J.V. football record included an amazing 28 straight wins in four years. As head football coach, his record included 3-6, 0-10, 6-3-1, and 5-5. In 1978, his football team missed winning the District championship by one point. It was also that year, Coach Cockrell was given the honor of Coach of the Year by the District.

Buzzy resigned his post to enter private business and to spend time with his two growing sons. As an S.F.A. graduate, his first and only job as a coach was at Corrigan beginning in 1968. All who were associated with Mr. Hyde and Coach Cockrell would agree to their devotion to their respective fields. With this in mind the 1979 Blue Quill is dedicated to them.
